tion of this town last night.

The fire originated in Fruitt's drug-store at about 6 o'clock, and the wind carried the fames from one building to another until wenty-five stores, fifteen residences, a livery stable, the Post-Office, the Clark flows, Parker House, two large brick flows, Parker House, the Record, the Gasette and the Penanula Ledger buildings were burned to ashes. This leaves the town without a new-paper. The fire was under control at 13 o'clock.

The suburbs of the town were in great con usion, household goods of all descriptions laying around in great piles. Cape Charles sent a large number of men to help light the fire. The total loss is \$500,000.

MRS, IVINS'S \$2,000.

The Jury Disagrees as to Whether Ivin Should Pay It Back.

The sealed communication from the jury in the suit of Mrs. Madge Stone against City Chamberiain Ivins was opened in Judge Sedgwick's Court to-day.

It proved to contain a statement of greement, and the jury was discharged, Mrs. Stone's suit was brought to recover \$2,000 which she claimed to have given Mr. Ivins to invest for her.

Mrs. Stone sought to recover \$2,000, claiming that on Oct. 24, 1880, Ivins sold her 850 shares of stock of the International Chemical Company of this city, for which she paid \$2,000 on Mr. Ivins's representations that he was the owner of the stock and that it was worth \$4,000.

She claims that she subsequently ascer-tained that Mr. Ivins had deceived her, as he was not the owner of the stock.

In behalf of the defendant testimony was introduced showing that the complainant purchased the stock direct from the Company through the scency of Mr. Ivins.

The jury stood capt in favor of the plaintiff and four against her.

NO LOCKOUT YET.

The Ale and Porter Brewery Besses Decide The principal topic discussed in barrooms in this city to-day was the probable lockout

in this city to-day was the probable lockout of the union men employed in the ale and porter breweries.

The Committee which heard the evidence produced by the employees to prove that the firm of Stevenson & Co. had violated the agreement they entered into with the men, reported adversely to the men, and, according to previous resolutions adopted by the boss brewers, the latter were to discharge every union man in their employ if the Stevenson boycott was not reised by to day.

The employers, however, decided not to enforce the rule until next Wednesday, by which time it is expected the men will quietly withdraw the alleged boycott.
